

Directions to The Ohio State University, Columbus Campus

Tuttle Park Place Parking Garage

Building 088
2050 Tuttle Park Pl.
Columbus, OH 43210

Scott Laboratory

Building 148
201 W. 19th Ave.
Columbus, OH 43210

From the North:

Take any major highway to I-270.
Take I-270 west to SR 315 south.
From SR 315 south, exit at Lane Avenue.
Turn left onto Lane Avenue.
Turn right onto Fyffe Road.
Turn left onto Woody Hayes Drive.
Drive approximately half a mile, then turn right onto Tuttle Park Place.
The garage is just ahead on your left.
Exit the parking garage at the southeast corner and walk east to 19th Avenue and Magruder Avenue.

If you have difficulty in locating Scott Lab, please ask for the Science and Engineering Library. The library is a commonly known site and is located diagonally across from Scott.

From the South:

Take any major highway to I-71 north.
I-71 north comes to a split near downtown Columbus. Continue **forward** onto State Route 315.
Follow SR 315 to the Lane Avenue exit.
Turn right onto Lane Avenue.
Turn right onto Fyffe Road.
Turn left onto Woody Hayes Drive.
Drive approximately half a mile, then turn right onto Tuttle Park Place.
The garage is just ahead on your left.
Exit the parking garage at the southeast corner and walk east to 19th Avenue and Magruder Avenue.

If you have difficulty in locating Scott Lab, please ask for the Science and Engineering Library. The library is a commonly known site and is located diagonally across from Scott.

From the West:

Take any major highway to I-70 east.
From I-70 east, exit onto State Route 315.
Follow SR 315 to the Lane Avenue exit.
Turn right onto Lane Avenue.
Turn right onto Fyffe Road.
Turn left onto Woody Hayes Drive.
Drive approximately half a mile, then turn right onto Tuttle Park Place.
The garage is just ahead on your left.
Exit the parking garage at the southeast corner and walk east to 19th Avenue and Magruder Avenue.

If you have difficulty in locating Scott Lab, please ask for the Science and Engineering Library. The library is a commonly known site and is located diagonally across from Scott.

From the East:

Take any major highway to I-70 west.
Go through Downtown.
Take the exit for State Route 315.
Follow SR 315 to the Lane Avenue exit.
Turn right onto Lane Avenue.
Turn right onto Fyffe Road.
Turn left onto Woody Hayes Drive.
Drive approximately half a mile, then turn right onto Tuttle Park Place.
The garage is just ahead on your left.
Exit the parking garage at the southeast corner and walk east to 19th Avenue and Magruder Avenue.

If you have difficulty in locating Scott Lab, please ask for the Science and Engineering Library. The library is a commonly known site and is located diagonally across from Scott.

From Port Columbus International Airport:

Take Airport Drive west.
Take the I-670 west ramp towards Columbus. Merge onto I-670 west.
Take I-670 through downtown and exit onto SR 315 North.
Take SR 315 North to Lane Avenue
Exit at Lane Avenue, turn right.
Follow Lane Avenue for approximately 2 miles. Turn right onto Tuttle Park Place.
Pass through two stoplights.
Turn left to enter the Tuttle Park Garage. It is directly across from the stadium.

If you have difficulty in locating Scott Lab, please ask for the Science and Engineering Library. The library is a commonly known site and is located diagonally across from Scott.

Tuttle Parking Garage to Scott Lab:

Exit the parking garage at the southeast corner. If you have exited at the right location, you will see an Oxley's to your right and a Buck-I-Mart to your left. Turn right, and then take the first left. It goes a little uphill. On your left will be another parking garage. You will need to cross an "L"-shaped road (this is 19th Avenue). After crossing this street, continue forward, keeping the long end of the road on your right. Scott Lab will be the second building on your right, and it is on the corner of 19th Avenue and Magruder Avenue.
